

## KEEP ON MAKING LOVE WITH YOU

Verse 1

**F9**  
All the love I want

All the love I need  
**Cmaj7**  
I have found it all with you  
**F9**  
All the joy I want

All the joy I need  
**Cmaj7**  
I have found it all with you  
**Dm**  
Everything that I've ever dreamed about  
**Em**  
Has come true

**Dm**  
And I want to sing it out to the world  
**G**  
Tell them how I feel about you

Chorus

**Fmaj7**  
Keep on making love with you

All I ever wanna do  
**Cmaj7**  
Keep on making love with you

All I ever wanna do

Verse 2

Hold me one more time  
Kiss me one more time  
Do it to me once again  
You feel wonderful  
You feel magical  
Do it to me once again  
In my heart I know I have found true love  
From the start  
You are all I'm thinking of all day long  
I get so high thinking of you

Middle

**Dm7**      **Em7**  
I feel so high I feel so high  
**Dm7**      **Em7**  
I feel so high I feel so high
